Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I started formulating this concept in Angel Raphael Speaks volume 4. Three Years before volume 4, Angel Raphael had invited me to visit prison energetically and I did not respond as that was not something that I was delighted to hear. I avoided any further thought on the concept. Recently, I was brought to Addiction as a focus of my writing as I see so much of it during Pastoral Rounds at the Hospital. Just before writing Volume Four, I completed a book called Angels Are Always Around Addicts and Alcoholics and I did not realize that the completion coincided with a news media production called Generation Addicted. The problem is enormous but the answers are few. Volume 4 provides a concept for consideration and some preliminary ideas to propose possibilities for addicts, alcoholics and prisoners. I have been as amazed about this as everyone reading my writings lately and find the whole process intriguing and a bit scary.
