## Expatriate Compensation: The Balance Sheet Approach (Paperback)

By Roger Herod

Society for Human Resource Management, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. In a concise and straightforward manner, this guide presents the fundamental issues involved in global staffing, particularly in developing a corporate compensation approach for expatriate assignments. This reference strongly emphasizes the critical importance of considering the differences in the cost of goods and services, housing, and income taxes in international assignments as well as in regional transfers within the same country. Managers deciding whether to send an expatriate on assignment will find the total costs—from the various allowances and differentials provided to expatriates to relocation costs to home leave trips to international schooling costs for the expatriate's children—carefully laid out in this practical summary.

### Reviews

*Great e-book and valuable one. This can be for all who state that there was not a worthy of studying. I found out this book from my i and dad recommended this publication to understand.*

*-- Gertrude Pfannerstill IV*

*Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.*

*-- Lacy Goldner*
