### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Pan Macmillan Australia, Australia, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Calypso Shakespeare knows what the future has in store for her, and not just because she's psychic. The gifted Shakespeare women have always had their one true love. Problem is, Calypso's came and went and didn't work out too well. She doesn't need a crystal ball to see that she'll never love again. Even her gift of mixing magical cocktails can't help heal her own bruised heart. Instead she concentrates on concocting potions that help other people find love. A dash of this, a pinch of that, a nip of liquor, muddle with flower petals and then part the veils and cast a spell. Calypso's supernatural services are in demand everywhere. It's the perfect life for a wanderer like Calypso. Calypso drifts between bars in Paris and Vienna, and her own tiny Cauldron in the basement of her parents' haunted London pub. She's regularly on the road or at her Cornwall cottage harvesting herbs and checking her distillery. She's never in one place for long. Certainly not long enough to date. Calypso's future is clear: Cocktails and travel. And that's just fine. That is until Taran Dee shows up and Calypso finds she has real trouble brewing. Trouble Brewing is the second book in the Shakespeare Sisters series.
