Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Paris and Environs: With Routes From London to Paris; Handbook for Travellers The chief object of the Handbook for Paris, which made its first appearance in 1865 and is now edited and brought up to date for the eighteenth time, is to render the traveller as far as possible independent of the services of guides, commissionnaires, and hotel-keepers, and to enable him to employ his time and his money to the best advantage. The Handbook not only takes account of the chief transformations that the external aspect of the great city has undergone of late, but is specially concerned with its history, its science, and its art, in which departments the Editor has had the valuable guidance of several specialists. As, however, changes in the arrangement of collections and museums, in the tramway services, and in many minor matters are constantly taking place, the Editor would respectfully remind his readers that he has done his utmost to ensure accuracy of statement down to the moment of going to press. The text of this volume is divided into three parts, viz. Pp. 1-180, 181-346, and 347-491. These may be removed from the book and used separately by breaking open the volume and cutting the gauze at the back.
