Association (CFFA) and the National Association of Photographic Manufacturers (NAPM), to determine HAP use and control by film formation and coating operations. Also in 1997, the EPA developed and distributed a questionnaire to determine HAP use and control in the manufacture of industrial and decorative laminates, with the help of the Laminating Materials Association (LMA), the National Electrical Manufacturers Association (NEMA), and the Association of Industrial Metallizers, Coaters, and Laminators (AIMCAL). The EPA questionnaires were designed to evaluate HAP emissions from the industry and the current level of control of HAP emissions by the industry. The questionnaires were included with information collection requests (ICR) sent out under the authority of section 114 of the Act. Questionnaire responses were solicited from 104 companies that manufacture pressure-sensitive tapes and labels, 40 companies that operate film formation and coating equipment, and 49...
