

## Smart Words: Vocabulary for the Erudite and Those Who Wish to Be (Paperback)

By Mim Harrison

Perigee Books, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. How and where to use 500 of the words that make you sound more cultured, worldly, and downright smart. Whoever said sounding smart had to be painful? It's all in how you acquire the ten-dollar words of English. Smart Words makes fast and smooth learning of words such as prelapsarian, sedulous, sybaritic and draconian. How? By sticking to ultra-simple definitions, then offering a memorable--and often funny--description of when or why to use the word. A sample sentence shows you how. And the phonetics are a snap. Here's the description of sybaritic, defined as luxurious. Make that luxurious with a capital S. The word got its start from Sybaris, an ancient Greek city known for being a tad over the top in the pamper-me department. Whether you're a word lover, a fan of quirky reference books, or simply in need of a vocabulary makeover, Smart Words will help you be smart(er) about the words you use and the way you use them.

### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Keanu Johns**

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*
