CONQUERING PISTRIPING FRUSTRATIONS VOL.# 2

Lulu.com, United States, 2014. Pamphlet. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is volume 2 and like volume 1 ,is intended to be a motivational supplement to professional how to pinstripe publications written by the pro s in this art form. I started with volume 1 as an incentive to me to keep going through all the frustrating times to reach a pro status. I tried three times and stopped.This time, by showing others who are having the same problems ,gives me the incentive to try again. Volume 1 conquering pinstripping frustrations vol.1 comes in either black and white or full color depending on what the customer wants to spend. Full color is slightly higher in costs and comes with a more robust binding and more pages. This volume 2 is only available in full color and has more photos but less pages. It will show at the end ,my first pin stripping job compared to what I have taught myself during the past five months. I am not a pro status yet. But I will continue to reach that goal in a few months. Compare how you feel at each stage of the book to what I am experiencing.
