Brand New Book ***** Print on Demand *****.Excerpt from The Sins of the Fathers Beyond the Alps lies Italy! Beyond The War lies The World after the War. Black and red, the holocaust of an era envelops the world; black with the heavy shadow of catastrophe, red with the flame of a penitential purgation. Black and red, the smoke-clouds of a great burning open fitfully, and only a little way, to reveal a far country, in hope rather than in reality, but it is on these poor gleams of far promise that already the eyes of men are fixed, for there alone lies the prophecy and the forecast of compensation. The world has become a great interrogation. Why was this thing permitted and why does it endure? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
