Filesize: 9.19 MB

Reviews

I just started off looking at this pdf. Of course, it is perform, continue to an amazing and interesting literature. I realized this pdf from my dad and i recommended this book to understand.

(Mrs. Ettie Berge)

A FINAL EXAMINATION: THE DOCTOR LOOKS BACK (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A FINAL EXAMINATION The basic premise of A Final Examination is that as I approach the later stages of fifty years of a life in medicine I have borne witness over the last generation to what would appear to be the gradual decline of family medicine to the point of imminent dissolution. I am well aware that this reality does weigh heavily on my heart and soul as a physician and for that matter throughout my being. I composed a memoir as what seemed to me the most accurate way to dramatize the nature of this loss - beginning with looking at the genesis of my life in medicine, i.e. where doctors come from, and an extensive and personal look at the context and content of a doctor s life, leading to the magic that can occur between doctor and patient. I am a private person. I have always valued the anonymity with which I have been able to live to work and work to live. I want for nothing that I do not already have, certainly not any form of public visibility or recognition. But what other form of revelation can substantiate my plea for concern about medicine s future than one based on open and honest self-revelation, one in which many of my patients also generously have joined in? Who might want to read this book? If you have never had the need for the intimate and trusting support of a competent physician, you will be fortunate to reach your life s conclusion and be able to continue to say the same, as we all will become older, we all make errors of judgment, we all suffer misuses and abuses, we...
