Brand New Book ***** Print on Demand *****.The media can deliver much of our experience and understanding of the Islamic faith from far reaching locations across the world. However, the tragedy of this is for most us who do not know Muslims personally we commonly paint them with the same brush, assume that they are all out to get us or seem so different and unknown that we avoid them. In this little book, I will attempt to fill in some potential gaps and maybe even correct some misunderstandings all done in the spirit that loving our neighbour includes those of a different faith or ethnic origin.
