Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A moving and revealing exploration of Hasidic life and one man s struggles with faith, family, and community. Shulem Deen was raised to believe that questions are dangerous. As a member of the Skverers, one of the most insular Hasidic sects in the US, he knows little about the outside world - only that it is to be shunned. His marriage at 18 is arranged, and several children soon follow. Deen s first transgression - turning on the radio - is small, but his curiosity leads him to the library and, later, the Internet. Soon he begins a feverish inquiry into the tenets of his religious beliefs until, several years later, his faith unravels entirely. Now a heretic, he fears being discovered and ostracized from the only world he knows. His relationship with his family at stake, he is forced into a life of deception and begins a long struggle to hold on to those he loves most: his five children. In All Who Go Do Not Return, Deen bravely traces his harrowing loss of faith while offering an illuminating look at a highly secretive world.
