Cornell Lab Publishing Group, United States, 2017. Calendar. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The Bird-A-Day 2018 interactive daily calendar is unlike any other, designed by bird experts at the Cornell Lab especially for bird lovers. Bird-A-Day is the first regional page-a-day desk calendar series that showcases birds where people live, just like our field guides. Just like our field guides, we created a calendar for people that live in Eastern / Central North America, and another for people that live in Western North America. Both Bird-A-Day calendars include gorgeous photograph of common birds from both professional and amateur bird photographers, and each page features the latest range map, easy reference icons (i.e., Habitat, Food, Nesting, and Behavior), and fascinating information on that species. We also share special bird and conservation days throughout the year with back-of-page content, and get out there and go bird watching! weekend ideas and activities, with some of our best bird watching advice and tips from the Cornell Lab. And of course, Bird-A-Day is fully compatible with our free downloadable BIRD QR app to listen to HD bird sounds on each page and learn more. Wherever you live across North America, Bird-A-Day is the definitive daily calendar for bird lovers.
