

## Einstein s Monsters (Paperback)

---

By Martin Amis

Vintage Publishing, United Kingdom, 1999. Paperback. Condition: New. Language: English . Brand New Book. An ex-circus strongman, veteran of Warsaw, 1939, and Notting Hill rough-justice artist, meets his own personal holocaust and Einsteinian destiny; maximum boredom and minimum love-making are advised in a 2020 epidemic; a virulent new strain of schizophrenia overwhelms the young son of a father of the nuclear age ; evolution takes a rebarbative turn in a Kafkaesque love story; and the history of the earth is frankly discussed by one who has witnessed it all. The stories in this collection form a unity and reveal a deep preoccupation: Einstein s Monsters refers to nuclear weapons but also to ourselves, writes Amis in his enlightening introductory essay, We are Einstein s monsters: not fully human, not for now.
