Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.ALOHA ! NOW HERE WE ARE AT BOOK FIVE! Link to purchase Kelly s bestsellers on Amazon // My heart had been so touched by my fellow activist friends, that when I returned to Kauai after four months absence, the automatic writing of Book Five began. It is as if the island of Kauai asked me once again, to be her witness to the tragic story of the military s bombardment and the on-going legal poisoning of Kauai, Hawaii s sacred soil and ocean waters. Please sign the petition at the end of this book! IT S REAL! In BOOK FIVE, Kelly and Dimitri (the unlikely lovers) are once again thrown into a harsh world of explosive violence caused by the military and the environmentally destroying corporation of DONSANTO. Horror, rage and anger are the nemesis of BOOK FIVE when an ammunition dump blows up and causes DONSANTO s herbicides to catch on fire. The result is a deadly chemical fire of massive proportions. Kelly and Dimitri are asked to NOT tell the world that DONSANTO S legal herbicides are a derivative of one of their chemical compounds called Agent Orange which was used in warfare by the military. Are you using safe herbicides that are now currently on the market? The deepening of the lovers relationship is greatly helped by Owldreama Sham, a blue guardian angel. BOOK FIVE offers telepathy, supernatural powers and local Hawaiian healing wisdom for all of humankind to embrace. ALOHA!.
