Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **Rope and Twine Information** The use of brands makes the necessity of understanding qualities a simple matter. The best quality of our rope or twine will always be Crown. The second quality will be Cross. The next quality will be Scepter. It is unnecessary for us to advise you of the importance of mentioning brands instead of grades Any salesman can readily see the advantage of saying This is our Scepter Brand instead of This is a third-grade rope. The grade of rope is the same whether it is called Scepter or third-class, but the influence on the mind of the customer is not the same.
