Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. .Nick s words are a gorgeous blend of dignity, grace, and beauty mixed with raw, unfiltered, down and dirty, in-your-face faith. Not a faith that chatters God, I ll trust you when (insert your personal whim here). or Father, You know I love it when You (comfort factors A-Z go here.). Not Nick and Kellie. Their authentic faith is seen from the joyous arrival of a long-awaited daughter to the devastating news of an oncologist. Real faith rolls up its sleeves and puts its face into the gentle wind of a comfortable fall evening or the blistering chaos of a costal hurricane. This is the story of our battle with cancer over the past year. My wife, Kellie, was diagnosed with stage IV breast cancer. Our prognosis was not good. This story gives you the details of what happened behind closed doors in our house.the struggles, the pain, the questions. And I give you insights on how we remained steadfast in the face of possible death and how we are able to praise our God during our walk through this furnace.
