Totally Entwined Group Limited, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Deanna Thompson doesn't believe in ghosts. However, everybody thinks her hotel is haunted, in particular the very handsome, sexy and irritating paranormal investigator Harry DeVeaux. Someone's trying to kill Deanna, but is it the ghosts she doesn't believe in, the rich socialite who might be a murderess, or someone else with a beef against The Gilroy Hotel and Resort that Deanna has just been hired to manage? The Gilroy's owners want the spirits, or whoever is causing the trouble at the hotel, eliminated, and they are pressuring Deanna to do the job as quickly as possible. Paranormal investigator Harry DeVeaux comes highly recommended and, against Deanna's better judgment, she hires him. Although Deanna thinks Harry's crazy for believing in ghosts, and Harry thinks Deanna has a closed mind to the possibilities of the paranormal-not to mention that they highly annoy each other-sparks fly. Deanna can't help but fantasise about Harry and, inspired by a romance convention visiting her hotel, she writes her fantasies in a private blog that Harry finds, hacks and reads. Ooh la la!
