Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Forty Years of American Life And so one day in a small sailing ship, avoiding the large packets and steamers which were watched by the police, we glided down the bay, past Fort Lafayette, the Federal Bastille - past the watch-dog war steamer in the Narrows, and saw the spires of New York, the beautiful hills of Staten Island, and the blue Highlands of Neversink disappear below the horizon. And our curious little company of refugees all breathed, I think, more freely when we saw only the bright heavens above and the blue waters around us. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
