Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.
(Audra Hodkiewicz)

ORPHANS OF EDUCATION

Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 224 x 155 mm. Language: English Brand New Book ***** Print on Demand *****.In 1994, I read a book by the title of The Bell Curve, the premise of which was that African Americans could not pass IQ tests because they were black. It was featured prominently in all book stores in the Denver area where I was living at the time. I had no real interest in the subject other than the fact that I knew the premise to be wrong. I promptly forgot it. About two years later, I heard of the right-brain/left-brain theory and knew that was the answer to the fact that African Americans scored low on IQ tests. It was one of those aha moments we sometimes get - the light bulb effect. As I had no interest in the subject, I promptly forgot it, or thought I had. The idea would not leave me alone, and pages began writing themselves in my mind. If I was driving the car, walking my dogs, swimming, etc. pages of text began to form in my mind. Trying to fall asleep each night became a problem because it would not go away. Finally one day, I said, All right. If I m supposed to write what is filling my mind, I had better start. I did not even own a typewriter, let alone a computer. I began using the computer at the local library, and as soon as I had typed everything I was thinking, something new would appear. This went on for about four months, and it ended. By that time, I had a lot of material and knew that if I were going to be of any help to anyone with the material I had just written,...
