

Looking Back to Move Forward: Reconciling the Past - Liberating the Future

By Kelvin De marcus Allen

AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Kelvin De Marcus Allen has crafted a luminous narrative that speaks volumes to those of us who came of age during and immediately after the civil rights movement. Kelvin grew up as the bastard child, the beleaguered fruit of a poor, single mother, and a father who treated him as if he were invisible. One of seven children, the struggling family lived in a rundown, wood-frame house with plumbing so bad the family often had to relieve themselves in a hole in the backyard. W.E.B. Dubois The Souls Of Black Folk and Gordon Park s The Learning Tree come to mind while reading Kelvin s slim elegant volume. Some may think the comparison is a stretch - Dubois. The agitator-prophet, and Parks, the quintessential Renaissance man, are two of America s greatest heroes - perhaps Kelvin s greatest work is yet to come. Kelvin De Marcus Allen is a graduate of North Carolina Central University in Durham, N.C., and holds a Master of Arts degree in Leadership Liberal Studies from Duquesne University.
