Earnshaw Books Limited, Hong Kong, 2015. Paperback. Condition: New. Language: English . Brand New Book. Chinese art s journey from mass-produced propaganda in the Mao era to market darling mirrors China s own momentous changes like few other disciplines. Today, in both art and Chinese society, commerce and politics coexist in a delicate balance, which some call sensible and others, say is selling out. By travelling to the studios of China s art world superstars, hearing their rags-to-riches tales and interviewing the critics, curators and collectors that have been around since its idealistic beginnings, author Claire van den Heever paints a picture of Chinese art s bumpy path to commercial and critical success, and uncovers the secrets it tried to keep along the way.
