The projects included in our sample all reported diverse service activities that address one or more of these needs. While some projects service activities were focused on meeting a particular need within the community, such as housing, other projects activities addressed multiple areas of need, such as environmental and education needs. In the project reports we reviewed in detail, participants organized food programs that served 2, 500 children; assisted with totally rehabilitating 16 vacant public housing units; operated a 7-week summer...
