Oqlesby, Governor of the State of Illinois: Having been directed by the Illinois State Board of Dental Examiners to prepare and transmit to yon the report of said Board, as required by law, I have the honor herewith to submit their seventh annual report: Since our last report our Board has held two sessions, one at Cairo, May 7, 8 and 9; the other at Springfield, September 17 and 18 last. At the Cairo meeting five candidates were examined, four of whom were found duly qualified and licensed. At the Springfield meeting eight candidates were examined, six of whom were licensed to practice. During the year ninety-four licenses have been issued to holders of diplomas and others who showed proper qualifications. In addition to this there are now three temporary licenses in force. With this is submitted for your inspection a financial report, from which it appears that the total revenue of the Board has been \$108. Our expenses have been \$163.74, leaving a deficit of \$55.74 of actual expenditures over actual receipts, notwithstanding the fact that the members of the Board have paid their traveling and hotel expenses out of their private purses and have not received any pay whatever for the time expended.
