

Willy s Garden: Tips and Techniques for Healthy Gardening (Paperback)

By Philippe Boucard

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. WILLY S GARDEN Tips and techniques for healthy gardening. Many people flock to online sites to protest GMO, Monsanto and poisonous foods. The real protest site is our homes and we should deny entry into our homes to any intruders looking to harm us. It s called self-defense. From an apartment to a farm, any natural food we grow means less unhealthy commercial junk in our bodies. The satisfaction of eating any homegrown food can not be matched by the best store bought product. I had the absolute best and greatest teacher in the world. My dad, Willy, was so in tune with Nature that one could hear it in his voice, see it on his face, witness it in his actions and in his life. Willy s garden is a little more than planting a few seeds, it s about my absolute love for a man I was fortunate enough to call dad. It s about a man who redefined the word dad and took it to a higher level. It s about the little things that go under the...
