(Regular \$11.99) \*\*\* Here s a fact, Arguments will always happen. We have all had arguments at some point or another. Some you win and some you lose, and often sometimes you lose arguments not because your point was wrong or ill-considered but because you have not effectively made your point clear enough. Have you ever been in an argument or heated debate and found yourself becoming flustered and unable to think straight? You may have even had all the facts stacked in your favor but just have not been able to communicate them! Well this guide can change all that and arm you with all the required information to communicate your point calmly and effectively. Arguing is a part of our relationships with other people, whether it is with our lifelong partner or just a stranger on the street. With debate and verbal conflict being so common, it s well worth training yourself to master the art of argumentation. \*\*\*THIS BOOK...
