

A Savoured Embrace: Poetry (Paperback)

By Robert Dotchin

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a rollercoaster of rhyme. It will take you on an emotional ride. Real life and fantasy share the same pages. The author will make you laugh and cry. He will also make you angry, but he ll make you think of life in a different way. There is something for everyone. Children will meet a few new friends. Throughout it there is love. Beauty also abounds, but so do drugs and war. The facts of life are here to see. They will torture your mind with all the suffering today. The self-inflicted misery that people bring down on themselves goes hand in hand with peace and the impossible. The beliefs of man cause his destruction, but there are lessons to be learned. We can escape the doom and gloom as we turn each page. You will be entertained by it all until you reach the end.
