iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Adventures of Max Rose is a whimsical story of two mice that live in a cracker box house under the kitchen sink. Max is a dreamer, who sometimes imagines that he is big.very big. There are challenges he must face, like being alone in the dark, or figuring out how to make a cup of tea. However, his oddball sense of humor sees him through the toughest situations. Rose is a thinker. She loves the challenge of solving mysteries. The more difficult the mystery, the better she likes it. Together, they make a remarkable team, each complimenting the other with their special talents. Enthusiasm and limitless curiosity are virtues that keep the child in all of us alive. We must never abandon these qualities just because we are required to live in a grown-up world. The Adventures of Max Rose will capture the imagination and stimulate that little child hidden inside. Their adventures will take you back in time, a time when you were once that happy-go-lucky kid full of dreams and wishes. The Adventures of Max Rose allows you to see the world from a different perspective. So sit back and enjoy the adventure.
