It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishings books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishings titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work.
