Excerpt from The Wonders of Nature and Art: Containing an Account of the Most Remarkable and Curious Animals, and Mineral and Vegetable Productions in the World; Also, the Manufacturers, Buildings, and Wonderful Inventions of Man; Compiled From Works of Established Celebrity Notwithstanding the precautions that are taken, there are scarcely two out of twenty that escape. It is certain, that, from fifteen to eighteen miles round this tree, not only no human creature can exist, but that in that Space of ground no living animal of any kind has ever been discovered. Every man of quality has his dagger or other arms poisoned with the gum of this destructive tree and, in times of war, the Malaysans poison the springs and other waters with it. By this treacherous practice the Dutch suffered greatly during the last war, as it occasioned the loss of half their army. For this reason, they have ever since kept fish in those springs of which they drink, and sentinels are placed near them, who inspect the waters every hour to see whether the fish are alive. If...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
