Aegypan. Paperback. Condition: New. 26 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The history of this materialistic world is highlighted with strange events that scientists and historians, unable to explain logically, have dismissed with such labels as supernatural, miracle, etc. But there are those among us whose simple faith can -- and often does -- alter the scheme of the universe. Even a little child can do it. . . . Just a one-eyed dog named Charlie and a crippled boy named Joey -- but between them they changed the face of the universe. . . . Anything wrong, Joey I asked. He said, No, Roy, without taking his eyes off the sky. For a minute I had the prickly feeling you get when you are watching a movie and find that you know just what is going to happen next. You're puzzled and a little spooked until you realize that the reason you can predict the action so exactly is because you've seen the same thing happen somewhere else a long time ago. I forgot the feeling when I remembered why the kid wasn't watching the palmetto flats. But I couldn't help wondering why he'd turned to watching the sky instead. What're you looking for up there, Joey I asked. He didn't move and from the tone of his voice I got the impression that he only half heard me. I'm moving some stars, he said softly. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
