Leonaur Ltd, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The battle for Ceylon During the first decade of the 19th century the struggle for imperial domination still raged across the globe. Britain and France were at war as the tide that swept away the Bourbon monarchy in bloody revolution gained momentum under the genius of Napoleon Bonaparte and was felt from Europe to the East and West Indies. Britain in dominating the Indian sub-continent was in conflict with martial cultures who often had French backing. Here the future Duke of Wellington would make his name before his greater military glories in Iberia. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth bound and feature gold foil lettering...
