Workman Publishing. Paperback. Book Condition: new. BRAND NEW, Unlikely Friendships: 50 Remarkable Stories from the Animal Kingdom, Jennifer Holland, It is exactly like "Isaiah" 11:6: "The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid." Written by "National Geographic" magazine writer Jennifer Holland, "Unlikely Friendships" documents one heart warming tale after another of animals who, with nothing else in common, bond in the most unexpected ways. A cat and a bird. A mare and a fawn. An elephant and a sheep. A snake and a hamster. It includes the well-documented stories of Koko the gorilla and All Ball the kitten; and the hippo Owen and the tortoise Mzee. And almost inexplicable stories of predators befriending prey - an Indian leopard slips into a village every night to sleep with a calf. A lioness mothers a baby oryx. Ms. Holland narrates the details and arc of each story, and also offers insights into why - how the young leopard, probably motherless, sought maternal comfort with the calf, and how a baby oryx inspired the same mothering instinct in the lioness. Or, in the story of Kizzy, a nervous retired Greyhound, and Murphy, a red tabby, how cats and dogs actually understand each other's body language. With Murphy's friendship and support, Kizzy recovered from life as a racing dog and became a confident, loyal family pet. These are the most amazing friendships between species, collected from around the world and documented in a selection of full-colour candid photographs.
