

Boenninghausen s Essay on the Hom Opathic Treatment of Intermittent Fevers (Classic Reprint)

By Charles Julius Hempel

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Boenninghausen s Essay on the Hom opathic Treatment of Intermittent Fevers This little work is a valuable addition to the English portion of the Hom opathic Literature. By means of the indications furnished in the subsequent pages, the treatment and cure of Intermittent Fevers have almost been reduced to a mathematical rule. Hahnemann refers to this little volume in his work on Chronic Diseases. To the remedies contained in this pamphlet, I have added the following: Muriate of Ammonia, Menyantes, Lachesis, Aranea and Taraxacum; all of these remedies have been successfully employed against Intermittent Fevers. I have also introduced a new arrangement in the second part of the work, by means of which the periods of the day, when the exhibition of the drug is most convenient as regards time, can be ascertained at a glance. Believing that this little volume may be used to great advantage, I take the liberty of recommending it to the kind notice of the public. The author, in his preface, explains how this pamphlet is to be used. It...
