The Retro Rock Charts are a fun-to-play resource for ensembles of variable instrumentation or the standard rock n roll band format. The Charts contain master scores and parts in the styles explored in the Style Guide and allow for a wide range of abilities. The styles referred to are glam rock, jazz rock, rockabilly, disco, psychedelic rock, art rock, ska, zydeco, hip-hop and Latin rock. Arranged for instruments in C, B-flat, E-flat and keyboard, the tuned instrumental parts can be used by junior secondary students or even novice elective students. The untuned percussion parts are of varied levels of difficulty and are particularly suitable for upper primary music classes. The concert-pitch charts work well with xylophones and Orff-style tuned percussion. Parts are available in C, B-flat, E-flat and for percussion. When played with the CD these parts can support a wide range of instrumentation and abilities. The percussion parts in particular will suit upper primary music classes, and the concert-pitch charts also work well with xylophones and Orff-style tuned percussion. The tuned instrumental parts can be used by junior secondary students or even novice elective students.
