Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whether you are a seller listing with a real estate agent or selling For Sale By Owner or you are a real estate agent, this book could potentially yield thousands of extra dollars in your pocket. The secret to successfully selling a house quickly and for top dollar lies in thinking differently. In this guidebook filled with tips on every page and loaded with color photographs to illustrate the points, Victoria teaches you how to think like successful sellers and make the right decisions to gain the competitive edge. This guidebook tells it like it is and does it with humor and sensitivity. It gets right to the point. Read with an open mind throughout. Learn tips gleaned from the feedback of agents and stagers across the country and years of experience getting results. The recommendations are backed up by facts and figures and are designed to put more money in your pocket and ultimately make the process of selling your home easier. Selling a house requires a lot of little decisions along the way, even those made by default as a result of not making any decisions. Many sellers make poor decisions that cost them a piece of the profits they could have put in their pockets at the closing table. After reading this book, you will know how to properly weigh your options and make your best decisions so that you can cash out all the equity possible from your sale and not leave any money on the table. This guidebook was originally conceived as a tool for real estate agents to help their clients. If your agent has made suggestions to you that you decided were unnecessary,...
