Xulon Press, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is near and dear to my heart because I believe it is heavenly inspired. Children around the world are in need today, more than ever, of parents who understand bridges - and for that we need hope and faith. We must learn to teach how to infuse positivity as early and long as possible. I truly believe we can be a bright light in the darkness, if this was not so, the history of the world would not be what it is today. He who is pure light and love itself told us not to stop these little ones from coming to him. Marilyn de la Cruz is an insightful and inspiring writer who has had a wide spectrum of experiences in her life. She knows that miracles are multi-faceted beams of light, meant to touch many through one, bringing forth good fruit. If you enjoy this book, please share it with family and friends - and look forward to more good fruit coming your way. . . Like gold in the furnace he tried them, and like a sacrificial burnt-offering he accepted them. In the time of their visitation they will shine forth, and will run like sparks through the stubble. -Wisdom of Solomon.
