

Xi Jinping: The Governance of China Volume 2: English Language Version

By Xi Jinping

Shanghai Press. Paperback. Condition: New. 620 pages. The first published work by a sitting Chinese President, Xi Jinping: The Governance of China offered a unique look inside the Communist Party of China and its vision for the future. Since publication, Xi Jinping has continued to explore the governance of China in the new era, providing a series of new concepts, ideas, and strategies which add further depth and innovation to the Partys theoretical base. This new volume II explores that legacy with 99 additional speeches, talks, interviews, instructions and correspondences in 17 chapters, along with 29 related photographs. The works cover the vital period from August 2014 to September 2017. Under the leadership of Xi Jinping, the Communist Party of China has set off in a new direction of reform and modernization. The Governance of China will contribute greatly to the concepts and principles of governance within the CPC leadership, Chinas future path of development, and the nations domestic and foreign policies as well as responses to international concerns about China. It is essential reading for anyone interested in knowing how China, and more specifically, how its President views the world and Chinas place within it. This item ships from...

Reviews

This book is great. It is written in simple words and not difficult to understand. I discovered this pdf from my dad and I suggested this ebook to find out.
