Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

JIMMY STARLIGHT AND THE GALACTIC CRYSTAL: BOOK1: TRAVEL TO PLANET ATLANTIS (PAPERBACK)

Andre Van Rest, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the first book in the Jimmy Starlight and the Galactic Crystal series. It s a story about a twelve-year old boy, Jimmy Starlight, who lives on Earth in a world of multiple dimensions and universes, aliens, virtual-reality time travel, space portals and vortexes, anti-gravity technologies, and Celestial Guardians. The boy has a paternal connection to Planet Atlantis, located in another dimension in our solar system. He is the subject of an Atlantean prophecy that is being fulfilled in this book and others in this series. This prophecy holds that a boy of Atlantean and Earthen descent will lead the Atlanteans to victory over their archenemy the VARS, a ruthless group of Space Invaders from far across the Milky Way Galaxy. It also predicts he will recover a long-lost Galactic Crystal and use it to overcome this enemy, and this victory will transform Planet Earth and bring it universal peace and harmony. After this transformation, this boy will lead the people from Atlantis and Earth jointly into the new frontier in the far reaches of the universe.
