

My Flat Earth: Why I Believe God's Creation (Paperback)

By Pauly Hart

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.According to the Bible, on day four of creation God created the Sun, Moon and Stars. This is interesting because He created Turnips, Avocados and Onions on day three. How could that be? A quick Bible lesson tells us that the earth is a stationary disk, supported by pillars, covered with a dome, which is over Sheol and under heaven. And yet I have never heard this on Sunday morning in church service. Why not? Maybe something is going on deeper than any Pastor wants to address to his congregation. Maybe there is a strong delusion covering the eyes of the believers in Christ. The time has come, and now is, when we must show others the truth of God's Word. That the earth is not a spinning ball in space. That we are not: The Pale Blue Dot. For God so loved the world that He gave His one and only Son. We know this part right? But what if I told you that God loved THE world and that He sent THE Son. This might cause you to raise...
