It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my mom and dad suggested this publication to understand.

NICU JOURNAL: A PARENT'S JOURNEY

American Academy of Pediatrics, 2017. Spiral bound. Condition: New. Language: English . Brand New Book. Parents of babies in the NICU will become more informed partners in care with this essential resource and beautiful keepsake. The spiral-bound journal provides educational content and a place for parents to record their baby's progress. Parents are encouraged to track their baby's condition week-to-week and to commemorate special moments along the way. Journaling prompts remind parents to record their infant's vital statistics and jot down questions to ask the medical team. The journal also includes helpful information on common issues and questions in the NICU, as well as an overview of developmental milestones. A self-care section offers tips for parents on coping during this stressful time. A glossary of NICU terms and a checklist for bringing baby home round out the NICU Journal.
