Elena has spent her entire life hiding her family name while walking the thin line between lady and servant in a Protestant household. Keeping the secret of her lineage has been a success for years, but now, with a new, fiercely Catholic queen on the throne, Elena s Protestant caretaker is being targeted. And when Bloody Mary discovers Elena s true identity, she must not only flee to Scotland for her freedom, but also for her life. Highland warrior, Searc Munro, has secrets of his own. In a family of healers, his own dark, killing magic must never be known. But when his father s life is threatened, Searc unleashes his lethal power to save him. With his clan s suspicious glances and whispers plaguing him, he sets off alone, only to find another use for his magic in saving a beautiful lass being attacked in the forest. Teaming up as exiles, Elena and Searc head toward Edinburg to find refuge. Yet, with a series of ritual killings haunting the city and a traitor attempting to assassinate Scotland s regent, suspicion turns to Searc. As word of another British heir reaches the country, the two must find a way to trust each other, despite their secrets, before it s too late.
