

Transactional Analysis Psychotherapy: An Integrated Approach (Paperback)

By Petruska Clarkson

Taylor Francis Ltd, United Kingdom, 1993. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Transactional Analysis Psychotherapy: An Integrated Approach is the first advanced clinical textbook for many years, written for psychotherapists and counsellors who use the theory and techniques of Transactional Analysis in their practice or who are interested in expanding their repertoire. Clarkson provides a comprehensive guide to goal-setting and clinical planning for every stage of treatment. Not only a practical textbook relevant to modern developments in supervision, but one which makes a new and original contribution to ways of thinking about transference and countertransference, the theory of self and the process of psychotherapeutic change.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
