A Night of Gatecrashing: La Carniceria (Paperback)

By Zachary Mortensen

ghost robot, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to Palomar City, a tightly-packed, overpopulated American mega-city. Over the last sixty years, a series of traffic control devices known as Gates have transformed this thriving metropolis into a pressure cooker of political and inter-district tension that is on the verge of exploding. One of the only groups with unrestricted passage through the Gates are the emergency medical teams, nicknamed The Gatecrashers, who find themselves in the middle of a building conflict that threatens to tear Palomar City apart once and for all. In the last issue we learned that Splitfin head of security, Kippie Moeketsi, and chief technologist, Dr. Floria Forazio, were involved with the wetware-heist-gone-wrong that sent Hex Spencer and Natas Balthus flying out the window of the 44th floor of Splitfin Tower to safety. Seeing the writing on the wall, Hex takes Dr. Stahl s advice and interviews for a job Gatecrashing with Ganesa Dispatch under the watchful eye of Rada Raja. Now, with their busted plan in danger of being discovered, Kippie demands that Dr. Dorazio return to work to keep up normal appearances.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
