Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is an all out attack from Satan for the souls of our youth. They are succumbing to drugs, alcohol, gangs, violence, promiscuity, and suicide at an alarming rate. They are committing some of the most heinous crimes ever witnessed, and are being incarcerated at record numbers. Especially, African-American inner-city youths. Many psychologist, sociologist, and politicians have made careers trying to find solutions to this crisis. But for the most part, to no avail. This profound book couldn't have been written at a more crucial time in our nation's history. It reveals the truth about how At-Risk youths are being created, and exposes Satan's plot to steal, kill, and destroy a generation by distorting their VISION. The author of this book, Konrad Cowell, is an ex-drug dealer, gang leader, and convict who once was a troubled youth with a tumultuous childhood. Today, he is a born again follower of Jesus Christ, who counsels and mentors At-Risk youth. Using his life as a blueprint, Konrad takes readers on a dramatic personal journey into his life, identifying the components that gives birth to troubled youth, and how to deliver them from those components. This book is a MUST READ for anyone working with At-Risk youth, and parenting in general.
