Alfred Publishing Company, United States, 2001. Paperback. Book Condition: New. 264 x 201 mm. Language: English . Brand New Book. Here is an opportunity for three elementary level artists to sound impressively large as they team up in this march-like C Major showpiece. Most of the melodic duties are carried in the middle part, but the outer performers also get their solo moments. The composition is filled with varying dynamics and changes in touch, with eighth- and quarter-note rhythms prevailing. It is scored with all three parts visible, and sectioned off from each other on one score. A Federation Festivals 2014-2016 selection.
