Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If I felt your warm and generous welcome less, I should be better able to thank you. If I could have listened as you have listened to the glowing language of your distinguished Chairman, and if I could have heard as you heard the thoughts that breathe and words that burn, which he has uttered, it would have gone hard but I should have caught some portion of his enthusiasm, and kindled at his example. But every word which fell from his lips, and every demonstration of sympathy and approbation with which you received his eloquent expressions, renders me unable to respond to his kindness, and leaves me at last all heart and no lips, yearning to respond as I would do to your cordial greeting - possessing, heaven knows, the will, and desiring only to find the way.
