Lifetips.com, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As humans, we crave connection with others. Relationships exist, in a variety of capacities and intensity levels, to answer this need. However, developing and maintaining healthy interactions does not come naturally to many of us. Associations with acquaintances, work colleagues, friends, family, and intimate partners serve a variety of purposes. How you handle these exchanges will determine how well your needs are met. Therefore, the quality of your relationships is important to your overall health and happiness. Learning how to nurture good relationships, communicate appropriately and manage conflict are examples of what will develop the connections you desire. This book will assist your building strong, healthy relationships regardless of the context.
