Scientific American / Farrar, Straus and Giroux, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A New York Times Book Review Editors' Choice "As informative as it is entertaining . . . Bering's latest is a delightful, intelligent, and thought-provoking addition to the growing body of our sexual knowledge of self." Publishers Weekly (starred review) "Bering's a supple, witty writer, and praiseworthy terms like wry and irreverent suggest themselves readily. The book is a humane flirtation with the often-strange intimacies that drive people's lives." Michael Washburn, The Boston Globe "A master craftsman at refashioning reproductive biology into provocative composition, Bering nimbly probes 'the darkest corners of our sexual nature' with no illicit aftertaste." Kirkus Reviews "Against a colorful backdrop of science, history, and psychology, Bering calls on human society to stop judging people's sexual preferences based on a personal belief about what's normal or natural, instead asking what is harmful. [He] throws a bucket of ice-cold water on topics that often become overheated by the fires of morality, religion, and politics." The Scientist "[A] lively exploration of sexual perversion . . . Bering has a very entertaining writing style, but don't let that distract you from the serious stuff he's talking about: this isn't just a list of so-called perversions but, instead, an exploration of the way the human mind and body work and the way we are all just a little bit unusual." Booklist "As a sex writer, Jesse Bering is fearless and peerless." Dan Savage "Like a slightly kinky friend, Perv is sometimes weird, often revelatory, and always enthralling. You'd expect a book about sexual perversions to be at least interesting, but in Jesse Bering's hands it's also smart, humorous, and eminently humane." Florence Williams, author of *Breasts: A Natural and Unnatural...*
