Elise Dillard is an award-nominated entrepreneur, public speaker, author, and debt-free college graduate. Months before her high school graduation, she made the tough decision to deny the opportunity to pursue playing college basketball and solely pursue academics instead. Considering the last-minute decision to not play college basketball, plus having a younger sibling graduating high school in two years, Elise concluded that she would pay college herself. However, there was one problem-she had no idea how or where to start! With that goal in mind, Elise developed a plan of action and graduated college debt-free. She graduated cum laude and currently holds a B.S. in Cell Biology with a concentration in Biotechnology. As a freshman and sophomore in college, Elise interned with the Neuroscience Institute at Morehouse School of Medicine. Her junior year, she interned on behalf of The National Institute on Drug Abuse (NIDA) at The University of California San Francisco, where she conducted an independent study. Experienced at winning scholarships and landing internships, Elise wrote Funding College Debt-Free as an additional tool for you to acquire strategies, tips, and guidance on topics such as: -Selecting Your School and Preparing for the Cost -Increasing Your Competitiveness and Eligibility -Scholarship Acquisition -The Hidden Jewel of Internships -Pursuing Your Passion With Confidence -More! You have what it takes to change your life. Start living a life of freedom, passion, and purpose today!
