CreateSpace. Paperback. Condition: New. This item is printed on demand. 140 pages. This book brings to a close that portion of MASTERY OF SELF, which deals with the art of Success-Magnetism. Acquiring magnetism is a constructive effort. It is a building process. You are rearing a structure. You rise, from the foundation, through successive stories to the culminating peak. The most pleasing, notable structures men build from granite and steel and wood, tower like a Woolworth Building or a Rheims Cathedral-higher and higher, until they finally reach a gold-tipped crown or spire, high in the sunlit sky. And so, in rearing your invisible shrine of personal Success-Magnetism, we now come to the topmost peak of the structure. This book gives you the crowning inspirations, tipped and topped with the final Golden Laws of Magnetism in all Applied Life. Master these lessons in the magnetism of success, and you will go forth upon the highways and by-ways of life, endowed with a kingly confidence in your ability to win a measure of success achieved by few. But remember-(should discouragement seek to dog your steps)- every great structure requires the process of time. The giant trees of California were once puny saplings. The slow lapse of time has drawn nature into their mighty hearts. Just as surely as the absorption of natural forces built the giant redwoods, just as surely can you draw upon nature for GIANT POWERS. This item ships from La Vergne,TN. Paperback.
